5. For the incumbents in the posts on scales of pay above Rs. 61700-99600 no Time Bound Higher Grade will be allowed.

6. If there is a regular promotion post (including ratio promotion post) in respect of the categories of posts (entry) coming under pay range from Rs. 17000-38800 to Rs. 31600-71600 and its scale of pay is higher than the Time Bound Higher Grade proposed above, then the qualified incumbent will be given the scale of pay of the regular promotion post in the direct line of promotion as Time Bound Higher Grade scale. (While assigning higher grade, only qualified hands eligible for regular promotion will get the scales of pay of regular promotion posts). In cases where there exist no such immediate regular promotion post, the scale of pay of immediate regular promotion post as shown in the schedule of posts as per Special Rules alone will be admissible as grade scale (ie. in case where there are only Junior Superintendent post and no intermediary post of Head Clerk in a department, a UD Clerk will be eligible for higher grade in the scale of pay of Head Clerk only). Unqualified hands will be allowed the next higher scale of pay above that of the scale of pay of the post held at that time, in the standard scales of pay in Annexure I.

7. If the scale of pay of the regular promotion post is lower than the Time Bound Higher Grade proposed in the Table, the scale of pay of Time Bound Higher Grade specified above will be given on completion of prescribed years of

qualifying service by reckoning the total service in both the lower post and promotion post taken together. In such cases the fixation under Rule 30, Part I KSR will be admissible and the next increment will be allowed on the normal increment date in the earlier promoted post.

8. In all cases of regular promotions from Time Bound Higher Grades to post (equivalent to that of the grade post) carrying the same or higher time scale of pay, the pay in the promoted scale will be fixed in terms of Rule 30, Part I KSR. The next increment in the same or higher scale will fall due on the date of increment in the Time Bound Higher Grade post. This is applicable only to an officer promoted from Time Bound Higher Grade to the equivalent regular promotion post on the same or higher scale of pay which is in the regular line of promotion of the post held by him. In the case of an officer promoted or appointed 'by transfer' to a post which is not equivalent to the Time Bound Higher Grade enjoyed by him and carries lower, same or higher scale of pay, fixation of pay will be made under the appropriate rules of fixation of pay in KSRs.

9. In respect of categories of post coming under the pay scale ranging from Rs.36800-79000 to 41800-87000 the Time Bound Higher Grade will be as specified in Table II. Scales of pay of regular promotion post will not be given in these cases. This is applicable in the case of employee enjoying scale of pay 36800-79000 and above whether by regular promotion or by Time Bound Higher Grade.

10. In the case of an employee enjoying the Time Bound Higher Grade Promotion in the pre-revised grade scale his revision shall be done only in the eligible Time Bound Higher Grade scale. Corresponding revised scale of pre-revised grade scale (as per Annexure I) will not be allowed in such case.

11. In the case of Time Bound Higher Grade promotion the pay in the higher time scale will be fixed in terms of Rule 28 A Part I KSR i.e. one notional increment will be given and thereafter the pay in the higher grade scale will be fixed at the next stage above the pay in the lower time scale, arrived after adding notional increment, as on the date of the higher grade promotion. However, he will draw his next increment in the grade scale on the date he would have drawn his normal increment in the lower scale. But in the case of an officer who got the benefit of more than two increments on account of fixation of pay on sanction of higher grade, he will draw his next increment on completion of one year service in the grade scale. The existing option facility for Time Bound Higher Grade Promotion is withdrawn with effect from 01/02/2016. The fixation on Time Bound Higher Grade Promotion shall be done on the due date itself. The revised fixation rule will be made applicable for Time Bound Higher Grade promotion due on or after 01/02/2016.

12. In case the 15/22/27 year higher grades as per the Tables above are equal to or lower than the first/second/third promotion post as the case may be, that grade(s) will be modified and fixed at the next higher scale(s) above that of the promotion post(s) in the list of standard scales of pay in Annexure I

13. The service rendered in the entry post and reckoned for normal increments will be treated as the qualifying service for granting Time Bound Higher Grades in that post.

14. The term 'entry post' shall be defined as the post to which an employee is initially appointed in Kerala Water Authority service by direct recruitment by the competent authority. Appointments made, "by transfer" from other categories will also be treated as equivalent to direct recruitment for allowing the benefit of Time Bound Higher Grade. Service in different posts having same scale will not be treated as qualifying service. Those who get regular promotion or appointment to higher posts within the period specified for each Time Bound Higher Grade will not be granted further Time Bound Higher Grade during that period.

15. All promotions in the regular line of promotion from Kerala Water Authority Ministerial and Last Grade Service to Kerala Water Authority Administrative Service are also termed as 'by transfer' appointment. However, further Time Bound Higher Grade promotion will not be granted by reckoning the service in the promoted posts taken as entry post on analogy with by transfer appointment i.e. promotion to a post in the direct line of promotion in Kerala Water Authority to be made on the basis of select list prepared by the Departmental Promotion Committee, will not be treated as direct recruitment for allowing the benefit of Time Bound Higher Grade. All appointment 'by transfer' except the promotions/appointments from Kerala Water Authority Ministerial and Last Grade Service to Kerala Water Authority Administrative Service as mentioned above will be treated as equivalent to direct recruitment for sanctioning Time Bound Higher Grade.

16. Those who relinquish regular promotion, whether permanently or for specified periods, will not be given the benefit of Time Bound Higher Grade promotions. Similarly, an employee who got the benefit of Time Bound Higher Grade promotion will on no account be permitted to relinquish regular promotion to that grade either permanently or for specified periods.

17. The employees in the entry scales of pay of Rs.17500-38800 and Rs.18000-40800 and 19000-42900 will be eligible for reckoning their last grade service also for allowing 22 years third Time Bound Higher Grade. This benefit will not be allowed to first, second and fourth Time Bound Higher Grades. The employees in the posts having the revised entry scale of Rs. 20100 - 53300 and above are also not eligible for this benefit.

18. Military service which counts for civil pension of Ex-servicemen will be reckoned as qualifying service for allowing first higher grade. However, ex-servicemen enjoying protection of pay will not be allowed this benefit. In that case service under State Government alone will be reckoned as qualifying service. Period of leave on loss of pay which will not be taken into account for granting increments will not be reckoned as qualifying service.

19. All other existing general terms and conditions governing grant of time bound higher grade promotions as specified in Circular No. 46/2008/Fin dated 8.8.2008 and subject to the modifications issued by Government from time to time should be strictly adhered to

Rules for Fixation of Pay in the Revised Scale of Pay

1. The revised scales of pay shall come into force with effect from 01/07/2014.
2. All employees who were in service as on 01/07/2014 shall come over to the revised scale of pay with effect from 01/07/2014. There will be no option.
3. All appointments and promotions made on or after 1/7/2014 shall be deemed to have been made in the revised scale of pay and pay will be regulated accordingly.

Existing emoluments

4. Existing scale of pay for the purpose of these rules is the scale of pay immediately prior to 01/07/2014.
5. Existing emoluments for the purpose of these rules shall be the total of:
 - a. Basic Pay in the existing scale of pay as on 01/07/2014, including increments, if any, accruing on 01/07/2014, Stagnation increments shall also be reckoned.
 - b. Personal Pay, if any, not specifically ordered to be absorbed in future increase of pay.
 - c. Special Pay drawn in lieu of higher time scale of pay, provided there is no special pay attached to the revised scale of pay
 - d. Dearness Allowance admissible at the rate of 80% on such pay vide (a), (b) and (c) above.

Note:- Special pay, in addition to the pay drawn in the existing scale shall not be reckoned for fixation of pay in the revised scale.

Fitment Benefit and Service Weightage

6. To the existing emoluments computed above, shall be added an amount equal to 12% of basic pay in Rule 5 (a) subject to a minimum of Rs.2000, towards Fitment Benefit and another amount equivalent to 1/2 % of basic pay specified in Rule 5 (a) above, for each completed year of service subject to a maximum of 30 completed years, towards Service Weightage, provided the amount of Fitment Benefit and Service Weightage taken together shall not exceed Rs.12,000.

Note:-Service for the purpose of this rule means full time regular service in Kerala Water Authority including broken periods of service qualifying for normal increments in the scale of pay. Time spent on leave not counting for normal increment shall not be reckoned. Service during the period of bar on increment, without cumulative effect will be reckoned.

7. The amount so arrived at under Rule 6 above shall be stepped up to the next stage in the revised scale of pay.

8. If the amount arrived at under Rule 6 above is more than the maximum of the revised scale of pay, the pay shall be fixed at the maximum of the scale of pay and the difference shall be treated as personal pay and it will not be absorbed in future increase in pay on account of granting increments. This personal pay will count for all purposes, viz fixation of pay, calculation of leave salary, drawal of allowances including dearness allowance and pension.

Stepping up of pay of seniors

9. In cases, where a senior employee promoted to a higher post before 01/07/2014 (other than Time Bound Higher Grade), draws less pay in the revised scale than his junior promoted to the same higher post after 01/07/2014, the pay of the senior employee shall be stepped up to the level of the pay of the junior with effect from the date on which junior draws more pay, provided that

(a) The senior and the junior employee should belong to the same category and should have been promoted to the same category of post.

(b) The pre-revised and revised scale of pay of the lower and higher posts should be identical.

(c) The senior employee at the time of promotion has been drawing equal or more pay than the junior.

(d) The anomaly should have arisen directly as a result of the introduction of the revised scale of pay and fixation rules.

(e) The anomaly should not have arisen due to any advance increment granted to the junior in the lower post or due to the increased service weightage gained by the junior.

Note:- (i) If the junior employee was drawing more pay than the senior employee in the lower post in the pre-revised scale, the senior to such junior shall have no claim over the pay of the junior.

(ii) In case where pay of an employee is stepped up in terms of Rule 8 above, the next increment shall be granted after completing the required service of one year in the new scale from the date of stepping up of pay.

Increment

10. The date of increments of the employees shall not undergo any change consequent on switch over to the revised scale of pay, that is, increments will be granted on due dates as if one had continued in the pre-revised scale without waiting for one year from the date of Pay Revision. In the case of employees whose increments falls on 1st July 2014, next increment will due on completion of one year.

11. An employee whose increment is withheld for want of declaration of probation on 01/07/2014 will be allowed the benefit of fixation of pay on the basis of the pay actually drawn as on 01/07/2014 and he will continue on that pay till the date of effect of declaration of probation. However, the period during which increment is withheld will not be reckoned for computation of service weightage. The pay so fixed will be revised on declaration of probation, notionally counting the increment accrued but withheld. The period during which increment was withheld will also be counted for service weightage now. Monetary benefit of revised fixation will be admissible only from the effective date of declaration of probation. He will draw his next increment on the normal date.

12. In the case of employees who are on leave, or on deputation or under suspension on 1/7/2014, pay will be fixed as on the date of rejoining on duty on the basis of pay last drawn prior to 01/07/2014.

13. In the case of employees whose increment in the pre-revised scale is barred as punishment with cumulative effect, their pay in the revised scale will be fixed as on 01/07/2014 (if increment bar is in force on that date) on the basis of the pay they were drawing immediately before increment bar. They will be entitled to the pay at the same rate till the expiry of the period of increment bar. The next increment in the revised scale will be sanctioned after the expiry of the period of increment bar, subject to Rule 10 of pay fixation rules.

14. In the case of employees whose increment in the pre-revised scale is barred as punishment without cumulative effect, their pay in the revised scale will be fixed as on 01/07/2014 (if increment bar is in force on that date) in the revised scale on the basis of the pay notionally arrived at by counting increment, in the pre-revised scale, for every completed year of service which would have been counted for normal increment, but for the punishment. But the remaining period of increment bar will not be counted for accruing the next increment in the revised scale, subject to Rule 10 of pay fixation rules.

15. In the case of employees whose pay in the pre-revised scale is reduced to a lower stage as penalty temporarily, their pay in the revised scale will be fixed as on 01/07/2014 (if increment bar is in force on that date) on the basis of the pay after reduction in the pre-revised scale. The next increment that will accrue in the revised scale in terms of Rule 10 of the above rules will be sanctioned only after the expiry of the remaining period of penalty.

16. In the case of employees whose pay in the pre-revised scale is reduced permanently to lower stage as penalty with the effect of postponing of future increments, their pay in the revised scale will be fixed on 01/07/2014 on the basis of reduced pay in the pre-revised scale. They will have to remain in that pay till expiry of period of reduction. The next increment that will accrue in the revised scale will be sanctioned only after expiry of the remaining period of penalty.

17. In the case of employees who are continuing on LWA on 01/07/2014, their pay will be fixed in the revised scale as on the date of return from leave on the basis of pay last drawn before entering on leave.

18. Provisional employees recruited through employment exchanges who were in service on 30/06/2014 and continued thereafter shall be eligible only for the minimum of the revised scale of pay with effect from 01/07/2014.

19. The pay of all employees will be fixed in accordance with these orders by the officers who draw and disburse their salary. In the case of employees drawing pay and allowance on the basis of the authorization issued by the Finance Manager and Chief Accounts Officer. Drawal of the revised salary will be authorized by the Finance Manager and Chief Accounts Officer.

TABLE - II

Revised scale pay in the entry post	1 st of TBHG in the entry post	2 nd in TBHG

4. For direct recruits against posts carrying the scales of pay of Rs. 42900-89000 to Rs. 61700-99600, one higher grade promotion on completion of 8 years of service shall be granted as shown in Table III below:

TABLE III

Revised pay scale in the entry post	TBHG for 8 years of service in the entry post
42900-89000	46200-93000
46200-93000	61700-99600
61700-99600	69800-104000

5. For the incumbents in the posts on scales of pay above Rs. 61700-99600 no Time Bound Higher Grade will be allowed.

6. If there is a regular promotion post (including ratio promotion post) in respect of the categories of posts (entry) coming under pay range from Rs. 17000-38800 to Rs. 31600-71600 and its scale of pay is higher than the Time Bound Higher Grade proposed above, then the qualified incumbent will be given the scale of pay of the regular promotion post in the direct line of promotion as Time Bound Higher Grade scale. (While assigning higher grade, only qualified hands eligible for regular promotion will get the scales of pay of regular promotion posts). In cases where there exist no such immediate regular promotion post, the scale of pay of immediate regular promotion post as shown in the schedule of posts as per Special Rules alone will be admissible as grade scale (ie. in case where there are only Junior Superintendent post and no intermediary post of Head Clerk in a department, a UD Clerk will be eligible for higher grade in the scale of pay of Head Clerk only). Unqualified hands will be allowed the next higher scale of pay above that of the scale of pay of the post held at that time, in the standard scales of pay in Annexure I.

7. If the scale of pay of the regular promotion post is lower than the Time Bound Higher Grade proposed in the Table, the scale of pay of Time Bound Higher Grade specified above will be given on completion of prescribed years of qualifying service by reckoning the total service in both the lower post and promotion post taken together. In such cases the fixation under Rule 30, Part I KSR will be admissible and the next increment will be allowed on the normal increment date in the earlier promoted post.

8. In all cases of regular promotions from Time Bound Higher Grades to post (equivalent to that of the grade post) carrying the same or higher time scale of pay, the pay in the promoted scale will be fixed in terms of Rule 30, Part I KSR. The next increment in the same or higher scale will fall due on the date of increment in the Time Bound Higher Grade post. This is applicable only to an officer promoted from Time Bound Higher Grade to the equivalent regular promotion post on the same or higher scale of pay which is in the regular line of promotion of the post held by him. In the case of an officer promoted or appointed 'by transfer' to a post which is not equivalent to the Time Bound Higher Grade enjoyed by him and carries lower, same or higher scale of pay, fixation of pay will be made under the appropriate rules of fixation of pay in KSRs.

9. In respect of categories of post coming under the pay scale ranging from Rs.36800-79000 to 41800-87000 the Time Bound Higher Grade will be as specified in Table II. Scales of pay of regular promotion post will not be given in these cases. This is applicable in the case of employee enjoying scale of pay 36800-79000 and above whether by regular promotion or by Time Bound Higher Grade.

10. In the case of an employee enjoying the Time Bound Higher Grade Promotion in the pre-revised grade scale his revision shall be done only in the eligible Time Bound Higher Grade scale. Corresponding revised scale of pre-revised grade scale (as per Annexure I) will not be allowed in such case.

11. In the case of Time Bound Higher Grade promotion the pay in the higher time scale will be fixed in terms of Rule 28 A Part I KSR i.e. one notional increment will be given and thereafter the pay in the higher grade scale will be fixed at the next stage above the pay in the lower time scale, arrived after

adding notional increment, as on the date of the higher grade promotion. However, he will draw his next increment in the grade scale on the date he would have drawn his normal increment in the lower scale. But in the case of an officer who got the benefit of more than two increments on account of fixation of pay on sanction of higher grade, he will draw his next increment on completion of one year service in the grade scale. The existing option facility for Time Bound Higher Grade Promotion is withdrawn with effect from 01/02/2016. The fixation on Time Bound Higher Grade Promotion shall be done on the due date itself. The revised fixation rule will be made applicable for Time Bound Higher Grade promotion due on or after 01/02/2016.

12. In case the 15/22/27 year higher grades as per the Tables above are equal to or lower than the first/second/third promotion post as the case may be, that grade(s) will be modified and fixed at the next higher scale(s) above that of the promotion post(s) in the list of standard scales of pay in Annexure 1

13. The service rendered in the entry post and reckoned for normal increments will be treated as the qualifying service for granting Time Bound Higher Grades in that post.

14. The term 'entry post' shall be defined as the post to which an employee is initially appointed in Kerala Water Authority service by direct recruitment by the competent authority. Appointments made, "by transfer" from other categories will also be treated as equivalent to direct recruitment for allowing the benefit of Time Bound Higher Grade. Service in different posts having same scale will not be treated as qualifying service. Those who get regular promotion or appointment to higher posts within the period specified for each Time Bound Higher Grade will not be granted further Time Bound Higher Grade during that period.

15. All promotions in the regular line of promotion from Kerala Water Authority Ministerial and Last Grade Service to Kerala Water Authority Administrative Service are also termed as 'by transfer' appointment. However, further Time Bound Higher Grade promotion will not be granted by reckoning the service in the promoted posts taken as entry post on analogy with by transfer appointment i.e. promotion to a post in the direct line of promotion in Kerala Water Authority to be made on the basis of select list prepared by the Departmental Promotion Committee, will not be treated as direct recruitment for allowing the benefit of Time Bound Higher Grade. All appointment 'by transfer' except the promotions/appointments from Kerala Water Authority Ministerial and Last Grade Service to Kerala Water Authority Administrative Service as mentioned above will be treated as equivalent to direct recruitment for sanctioning Time Bound Higher Grade.
