By order of the Governor

L.RADHAKRISHNAN  
*Secretary to Government*

### **Explanatory Note**

(This does not form part of the notification, but it is intended to indicate its general purport)

The vested forest located in the Alathur Range of Nemmara Territorial Division and in Vadakkancherry Range of Thrissur Division is an ideal habitat for Peafowl. It is one of the few places where peafowls are seen in Kerala. Seventy eight other bird taxes are also recorded from here. The area is of ecological, faunal, floral, geomorphologic, natural and zoological significance. As the habitat is under severe threat, it is absolutely essential to ensure long term protection of these forests for preventing peafowl from local extinction. Being the national bird, it is the duty of the State to take all measures to ensure its conservation. Thus the Government find it necessary to declare the area as a Wildlife Sanctuary.

This notification is intended to achieve the above object.
