Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Clause (d) of sub-section (1) of section 4 of the Kerala Marine Fishing Regulation Act, 1980 read with rule 4 of the Kerala Marine Fishing Regulation Rules, 1980 empowers the Government to regulate, restrict or prohibit the use of fishing gear in any specified area as may be prescribed. Sub-section (2) of section 4 of the said Act prescribes the ground for invoking the powers under section 4.

There have been persistent demands from various sections of fishing community for imposing ban on bottom trawling on the ground that the bottom trawling during the monsoon period would adversely affect the conservation of fish wealth and their share of earning from fishing. Consequently, there have been clashes between the fishermen belonging to traditional sector and mechanized sector leading to serious law and order problems in the sea.

There have been frequent occurrence of squally weather conditions in the sea during monsoon leading to accidents resulting in loss of human life and property.

The Government after considering all the aspects relating to the matter, particularly the adverse effect of bottom trawling, have decided to ban bottom trawling, in the territorial waters of the State of Kerala for a period of 47 days in the monsoon season starting from 15th June, 2015 to 31st July, 2015.

The notification is intended to achieve the above object.
