Explanatory Note

(This does not form part of the notification, but is intended to indicate its general purport.)

Government have noticed that a large number of children are being transported from other States to orphanages functioning in various districts in the State for the last few years. The Board of Control, constituted under the Orphanages and Other Charitable Homes (Supervision and Control) Act, 1960 (Central Act 10 of 1960) has examined the matter in detail and found that there are no regulations to control the orphanages involved in such transportation. Hence Government have decided to amend the regulations for the working of the Board of Control of Orphanages and other Charitable Homes.

The notification is intended to achieve the above object.
