

GOVERNMENT OF KERALA

No: IT Cell-2/228/2025-ITD

Electronics & Information Technology (IT CELL) Department

Thiruvananthapuram,

Dated:10-04-2026

CIRCULAR

Sub: E & IT Department – Roll out of the latest version of e-Office (v 7.3.15)- deferred - reg.

Ref: Circular of even number dated 31/03/2026

As per the circular read above, the roll out of the latest version of e-Office was scheduled between 10 pm, 10/04/2026 and 10 am, 15/04/2026. However, the Chief Electoral Officer, Keralam, has informed that the proposed roll out would disrupt the smooth functioning of the Election Department, as the Office of the CEO is currently handling a significant volume of electronic files and urgent cases related to implementation of Model Code of Conduct (MCC). Introducing a major system upgrade and shifting to manual processes at this juncture would place an undue burden on the election machinery and potentially delay time-sensitive interventions. Therefore, the CEO has requested to postpone the roll out till the election process is over.

Based on this request, it has been decided to defer the roll out

of the latest version of e-Office for the e-Sarkar instance until the completion of the election process in the State.

RAJESH KUMAR M
