Read 1 Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2023

2 G.O.(Ms) No.7/2024/POWER dated 21.10.2024.

3 Minutes of the meeting held by Hon'ble Minister, Electricity on 31.12.2025.

### ORDER

As per regulations 62 and 63 of the Central Electricity Authority (Measures relating to Safety and Electric Supply) Regulations, 2023 no building shall be constructed under an existing overhead line. But as per para 136 of the regulations, the Central Government or the State Government, as the case may be, by an order in writing, allow deviations in respect of matters referred in the Safety regulations except regulation 32. In the light of this clause , Government had constituted a Committee for examining the proposals for allowing deviations and to accord sanction in respect of construction below overhead lines as per Government Order read above.

2. In the meeting conducted by Hon'ble Minister, Electricity read above, it has been decided to examine each application received for getting permission for construction of houses under overhead lines separately, owing to the delay in completing the procedures of the three-member committee constituted to grant necessary deviations for permitting constructions under overhead power lines and also decided

to examine the cancellation of the above order.

3) In the aforesaid circumstances, Government are pleased to order that the Committee constituted as per Government Order read as 2<sup>nd</sup> paper above is hereby dissolved with immediate effect.
