(10) Letter No.G3/1350/2023/DAME dated 03/01/2026 from the Director, Ayurveda Medical Education Department, Thiruvananthapuram.

ORDER

Government had issued the G.O. read above permitting the Registrar, Kerala State Medical Councils, to grant registration to qualified Naturopaths who had obtained BNYS (Bachelor of Naturopathy and Yogic Sciences) degrees from 12 specified institutions outside the State of Kerala, subject to certain conditions, during the year 2009. Since then, registration has been granted only to degree holders from the said 12 institutions for the purpose of practice within the State of Kerala.

(2) Subsequently, Government have received various representations requesting that BNYS graduates who have completed their course from other Universities/Institutions outside the State of Kerala may also be permitted to obtain registration with the Kerala State Medical Councils for practicing in the State.

(3) Government have examined the matter in detail in consultation with the Registrar, Kerala State Medical Councils and the Director of Ayurveda Medical Education. The Director of Ayurveda Medical Education has reported that the National Institute of Naturopathy has approved 61 colleges, including the 12 institutions already included in the Government Order issued in 2009, and that all such institutions are of equal standard.

(4) As per the report of the Registrar, Kerala State Medical Councils, registration is presently being granted only to candidates who have studied in the institutions included in the G.O. read above. The matter regarding grant of registration to BNYS graduates from institutions outside the State was also discussed in the ISM Council meeting held on 28/03/2025. In view of the increasing number of applications received from BNYS graduates of institutions outside the State, the Registrar has requested Government to expand the list of institutions included in the said Government Order.

(5) Government have also noted that BNYS graduates from institutions not included in the Government Order issued in 2009 have been facing considerable hardship, as they are unable to practice in Kerala or secure employment in Government and non-Government sectors due to non-registration in the State. Government are of the view that inclusion of all the 61 institutions recognized by the National Institute of Naturopathy would address this issue and ensure uniformity in standards.

(6) In the above circumstances, Government are pleased to order that the 61 institutions approved by the National Institute of Naturopathy, Ministry of

Ayush, Government of India, as appended to this Order, shall also be included in the list of institutions eligible for the purpose of registration with the Kerala State Medical Councils.
