**ORDER**

The Director, Indian Systems of Medicine Department has requested that financial assistance may be provided from the National AYUSH Mission for the construction of a float by the Department of Indian Systems of Medicine in connection with the closing procession of the Onam Celebrations 2025 and requested Government to permit the National AYUSH Mission to provide an amount of ₹4,00,000/- (Rupees Four lakh only) for the said purpose.

The State Mission Director, National AYUSH Mission has reported that, as per Government instructions dated 03/09/2025, steps have been initiated to present a combined float showcasing the achievements of all departments under the AYUSH Department instead of presenting separate floats for each department. However, it has also been informed that in previous years financial assistance had been provided to the Department of Indian Systems of Medicine from the IEC fund of the National AYUSH Mission for the construction of the float, based on Government directions.

The State Mission Director has further informed that funds are available under the SAAP approval for the year 2025-26 under the IEC head and that the amount can be allocated to the Department of Indian Systems of Medicine, subject to Government approval.

Government have examined the matter in detail and are pleased to

accord permission to the National AYUSH Mission to provide an amount of ₹4,00,000/- (Rupees Four lakh only) from the IEC head under SAAP 2025-26 to the Department of Indian Systems of Medicine as financial assistance for the construction of the float in connection with the closing procession of the Onam Celebrations 2025, subject to the existing rules and guidelines of the National AYUSH Mission.
