As per the letter read as 1st and 3rd paper above, the Managing Director, Keltron has furnished a proposal seeking in principle approval on the proposal for construction of a new Corporate Office building in the Keltron Premises at Vellayambalam, with a total floor area of 20,000 sq. ft., at an estimated cost of Rs.6.50 Crore, by meeting the expenditure from own funds of the Company. The Board of Directors of the Company has also recommended the proposal.

2) The Executive Chairman, Board for Public Sector Transformation (BPT), as per the letter read as 2nd paper above, has remarked that the existing Corporate Office building is a vintage , heritage-style tiled-roof building constructed prior to independence, and it's maintenance has become increasingly expensive. In view of Keltron's current expansion plans & future activities, and considering that the expenditure for the new building will be met by the company itself, BPT recommended the proposal for establishing a modern and aesthetically designed Corporate Office.

3) Government have examined the matter in detail and pleased to accord in-principle approval for the proposal of Keltron, to construct a new Corporate Office building in the Keltron premises at Vellayambalam.
