However, Administrative Sanction was granted for Setting Up of basic Infrastructure & roll out of e Health vide Government Order read as 1st paper above only for 55 of the identified institutions, for an amount of ₹10.4603808 crore from the plan fund for the scheme Plan Scheme 'Kerala Digital Health Mission - e Health Programme' (head of account '2210-01-001-88(Plan)') during the financial year 2022-23. As per the said Government Order sanction is also accorded to meet 10% of the total cost towards overhead charges for the PMU. The PD, e Health Kerala

informed that in order to address the implementation at the remaining institutions, a proposal for e Health HMS implementation at 85 institutions was submitted to NHM vide letter dated 27.07.2022 and proactively, and anticipating NHM's funding, tenders for networking and hardware for all 140 locations were floated via M/s Keltron, however, the anticipated NHM funding for the remaining 85 institutions did not materialize. The Project Director further more informed that during the implementation stage, as per directions from Government for prioritisation at secondary and tertiary care institutions, implementation was restricted to 66 primary care institutions and consequently, partial payments related to the networking works were paid by meeting the expenditure from the MeitY funds, however, the e Health project still owes the balance payments and hardware costs for the remaining 66 institutions. The PD, e Health Kerala also imparted that the total project cost of the implementation of e Health in the said 66 institutions is ₹9,85,91,558/-.
