Advertisement for Various Posts at Kerala Hydrogen Valley Innovation Cluster Foundation

Revised Notification

ADVERTISEMENT No.: KHVIC/Recruitment/DST/2025/1

The Kerala Hydrogen Valley Innovation Cluster (Kerala HVIC), implemented by the Agency for New and Renewable Energy Research and Technology (ANERT) with support from the Department of Science and Technology, Government of India, under the National Green Hydrogen Mission, aims to establish a first-of-its-kind green hydrogen ecosystem in Kerala. This will encompass production, storage, transportation, and end-use applications, thereby accelerating the State's transition towards clean energy and achieving long-term decarbonization goals. The Kerala HVIC Foundation will act as the implementing agency for the project.

Kerala HVIC Foundation invites applications from dynamic and highly motivated Indian nationals for the following position on a contractual basis.

1. Program Manager (2 posts):

Job responsibility

- Smooth implementation of the project with milestone achievement through constant review and monitoring.
- Securing relevant national, international linkages with industry, academia, and other competent organizations.
- Closely working with sister HVIC in India for synchronized functioning and harnessing collective benefits.
- Co-creating the opportunities for connecting with various trans-national Hydrogen Valleys for joint working.
- Analyze guidelines and policies. Provide support in the development of new policies.
- Overall monitoring, support, and coordination with HVIC sites, experts, and other stakeholders.
- Excellent communication and interpersonal skills to drive the vision and fulfil the objectives of the organization.

Eligibility

Education

- PhD,
- MSc, MTech

Work Experience:

- Minimal:** In the areas described under job responsibilities
 - PhD** - 1 year of post qualification
 - MSc, MTech** - 3 years of post qualification
- Desirable:**
 - PhD in Chemistry
 - Strong presentation skills
 - Publication in peer-reviewed scientific journals
 - Work experience with Ministries / large government projects in the S&T field will be an asset.
